## **Instructions for Use:**

This is a generic version of the Prayer Guide we used at our church during our 40 Days of Prayer series.

These prayer guides were printed on 8.5" x 11" card stock. Print on both sides of the card stock and cut. Each page creates 3 prayer guides.

These prayer guides were given to the church members during the first Sunday of the series. We also had many more printed and available for our members at key locations throughout our building and in bulletins.

We encouraged our church members to use the prayer guides as a bookmark in their Bible.

There is a specific prayer suggestion for each day of the week. The guides are used for six weeks. As the members complete the prayer for that week, they check it off.

The guides we used were customized with each specific date instead of the week number. We also had our church logo at the top of each guide. You may want to, and are invited to, customize these cards for your particular church and situation.
